Sir:

Applicants' representative conducted a telephone interview with Examiner Micah-Paul Young on August 24, 2006. The enablement rejection of the previous office action was discussed. Applicants' representative cited example passages from the specification in rebuttal to the enablement rejection and asked that the rejection be withdrawn. The Examiner agreed to consider Applicants' remarks, and no amendment was immediately required.

It is believed that no fee is due for filing this Statement. However, should any fees be required for any reason, consider this paragraph a request and authorization to withdraw the appropriate amount from the following account: Fulbright & Jaworski Deposit Account No. 50-1212/NANO:003US/DLP.

The Examiner is invited to contact the undersigned at 512-536-3018 with any questions.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael C. Barrett".
